**Registration:** <http://wifss.ucdavis.edu/agroterrorism/classes/classesbydate.php> or  
email: [mvicino@wifss.ucdavis.edu](mailto:mvicino@wifss.ucdavis.edu)  
*Space is limited, so early reservations are recommended.*

This training will build awareness of the threat agroterrorism places on our food supply, the economy, and the agriculture infrastructure.

## CONTENT WILL INCLUDE

- Potential impacts of agroterrorism
- Recognition of response and recovery resources
- Response and coordination strategies for local, state, federal, and private entities
- Identification of individual roles within a local response team

## SUGGESTED ATTENDEES

- Emergency responders, supervisors and managers; law enforcement officers, fire/rescue, EMS and OES
- Federal, state and local public health agencies
- Hospital clinicians, administrators, health care providers
- Environmental health and public information officers
- Agriculture industries, including cultivation, processing, distribution, storage, transportation, and veterinarians
- Elected or appointed public officials, and extension advisors

Foreign Nationals/Non-Citizens may take this course, but must have DHS pre-approval 30 days prior to course date. Please contact a WIFSS Representative.
